beverages

A message from our wine list curator:

“Paying homage to the native rata tree, Rātā takes inspiration from the southern landscape and everything that epitomises New Zealand.”

“Our wine list reflects Rātā’s key values, embodied by our commitment to sourcing organic ingredients and following sustainable practices. Our wine list proudly showcases wines from the Otago region, greater New Zealand and beyond, with an emphasis on an eclectic mix of the highly regarded and little known gems.”

“Many of the winemakers on our list may not be big names, but we have big love for what they do. Every wine is chosen with value for our guests at the forefront: as we aim to create genuine dining experiences featuring well balanced and inspired cuisine, coupled with generous service delivered by our skilful team.”
